**NOTICE TO THE ACCREDITED AUDITORS
NOTICE 2022 / 10**

Dear members,

Subject: Update model reports prudential reporting 30 June

The model reports for the prudential reporting as at 30 June 2022 have been updated by the dedicated working group, in close collaboration with the Board and the scientific secretariat.

No significant changes have been made compared to the reports released prior year.

The model reports are provided for illustrative purposes only. It is impossible to describe all the facts and circumstances that need to be taken into account when drafting the reports. The accredited auditors will have to use their professional judgement in determining the findings to be highlighted and the conclusions to be expressed to the prudential authorities.

The updated versions, both in “clean” and “track changes”, can be found on the IRE/IBR website:

Yours sincerely,
